

PHILIP MORRIS  
AZERBAIJAN

In Baku, 23 December 2025

To: TT Technologies LLC Azerbaijan

Dear Sir or Madam,

As an affiliate of Philip Morris International (hereinafter: "PMI") we can confirm that the company TT Technologies LLC from Azerbaijan was involved with integrating and implementing the Azerbaijan National Excise Track & Trace System requirements in relation to our portfolio of smokeless, heated tobacco products for the market of Republic of Azerbaijan.

To the best of my knowledge, TT Technologies LLC was involved with technical and operational integration requirements, with the aim to ensure that PMI portfolio is in full compliance with Azerbaijani excise regulations, and to enable secure code validation and real-time traceability for PMI products imported into Azerbaijan.

This letter is issued at the request of TT Technologies LLC as a reference letter related to the performed professional services and may not be used for any other purpose.

Branch office of "Philip Morris Management Services (Middle East) Limited"
